

Dear friends and colleagues,

Warm greetings from Trivandrum Ophthalmic Club. We have immense pleasure in inviting you to the next edition of the annual CME of Trivandrum Ophthalmic Club – REFLECTIONS 2019.

The theme for this year's programme is "Living on the Edge – Clinical situations in your practice you would like to forget".

We have renowned faculty from all over India sharing their trials and tribulations with all of us. The prestigious KGR Nair Memorial lecture is being delivered by Dr. Santosh G Honavar from CFS, an internationally renowned figure in the field of Ocular Oncology and Oculoplasty, also editor of the IJO. Dr. Venkatesh Prajna, renowned corneal surgeon and teacher, mentor to many cornea specialists, Academic Director Aravind Eye Hospitals and Dr. Chitra Ramamurthy from Coimbatore is also there to share their experience with us. The recipient of the TOC Lifetime achievement award this year is Dr. Shahjahan Chakravarthy retired professor RIO, Thiruvananthapuram. We request you to grace this CME with your presence and make the most of this unique opportunity to meet and interact with the stalwarts in our field.
