Dear colleagues!!
Greetings from Cornea Interest Group!!

'BEAT THE BUGS' is the CME on Corneal Infections organized by the Cornea Interest Group and the idea of the CME series is to bring together like minded people and to speak about the problems and challenges they come upon. We know that the effectiveness of lecture based CME depends on audience interaction and have designed the program to include interaction to facilitate learning. We have four renowned speakers to cover the different aspects of Microbial Keratitis.

Dr Venketesh Prajna the Chief-Cornea Clinic Aravind Eye Hospital Madurai and Director Academics, Aravind Eye Care System, Dr Merle Fernandez the Director LVPEI Visakhapatnam and Head of the Department Cornea and Anterior Segment Services LVPEI Visakhapatnam, Dr Lalitha Prajna the Chief Microbiologist, Aravind Eye Hospital Madurai and Dr Anil Kumar V Professor Microbiology at AIIMS Kochi.

We have also our own cornea specialists coming up with challenging cases.

You are most welcome to bring forward your complicated and challenging cases to discuss with the experts who have vast experience in Microbial Keratitis.

We cordially welcome you all for a wonderful learning experience in CORAL 2018
