Ophthalmic Surgeons

Dear Doctor,

Greetings from Chaithanya Eye Hospital and Research Institute, Trivandrum

Chaithanya Eye Hospital and Research Institute is proud to announce its Biennial International Conference on Ophthalmic Surgery

The TAO of Ophthalmology - Trends, Advances and Opinions in Ophthalmic Surgery

on the 13th and 14th of August 2016 at The Hilton Garden Inn, Trivandrum.

This conference on Ophthalmic Surgery will cover the various sub-specialties of ophthalmology including cataract, vitreo-retinal, cornea, glaucoma, pediatric ophthalmology and refractive surgery. The theme of this year's conference is "how do you do things differently in your surgical practice". We have been fortunate to gather an august group of eminent faculty of international and national repute and prominent ophthalmologists. There are innovative sessions this year to truly give an alternative feel for the conference.

TAO is a the latest offering from the stable of Chaithanya academix that has over the years created a reputation for being able to put forth great & innovative academic meetings.

Welcome to Trivandrum and be part of this scientific meeting.

Imbibe the TAO and take back the right path of innovative concepts and practices.

Thanking you in anticipation

Dr. Manoj Soman
Chief Organising Secretary

Dr. Anilkrishnan Nair
Joint Organising Secretary

Dr. Abraham Kurian
