DRISHTI 2024

ANNUAL CONFERENCE OF
KERALA SOCIETY OF OPHTHALMIC SURGEONS

Nov 29, 30 & Dec 1 2024

Venue: Le meridien Convention Centre, Kochi

WELCOME TO DRISHTI 2024

The annual conference of KSOS Drishti24 is scheduled to be conducted on 29th & 30 th of November and 1st of December 2024, at Le meridien Convention Centre Kochi.

Idukki Malanadu Ophthalmic club (IMOC)is the main organizer along with Cochin Ophthalmic club (COC)and Kottayam Ophthalmic society(KOS).

We have booked the entire convention centre so that the academic halls , trade area, and dining space are in a single space frame .As you know, this was the venue of 2 AIOS conferences before. The entire space is air conditioned except for the Dining space.

Since the Venue is strategically located and well connected we are expecting record participation of KSOS members.Registrations have already started and we are getting fantastic responses from our members.

Kindly go through the trade Stall Layout plan. The stalls are near to the halls and dining area and are spacious. This time we have an entire hall dedicated to games (games area) in the Ist floor near the main hall which can be sponsored and marketed for your Products .

We assure you we will not leave any stones unturned to make Drishti 24 a memorable one.
