

46th Annual Conference

of Kerala Society of Ophthalmic Surgeons

Dear Colleagues and Friends,

It is a matter of great pleasure and honour to extend a warm welcome to Drishti 2019 the 46th Annual Conference of Kerala Society of Ophthalmic Surgeons, to be held at the Lulu International Convention Centre Thrissur from 22nd to 24th November 2019.

This will be a three day celebration jointly organized by Thrissur Academic Club of Ophthalmology (TACO) and Palakkad Society of Ophthalmic Surgeons (PSOS). The diverse program featuring skill transfer courses by the faculty as well as paramedical courses, covering over 1500 members across Kerala, is a much awaited, time honoured academic fiesta which attracts National and International faculty, trade exhibitors and delegates from all over India.

We would be delighted to have you present at this mega event at Thrissur; a land of sacred sites and colorful festivals.

The town built around a hillock crowned by the Vadakkunnathan temple is called the cultural capital of Kerala with its rich history and cultural heritage.

Take pleasure in not only the academics but also the wide horizons of Friendship, Bonding and Evolving in totality at the spectacular location of the award winning Convention centre.

Your participation will be our gratification.

Sincerely Yours
Organizing Team TACO and PSOS
